

## **"Advancing South Asian Cardiovascular Health" Conference Sponsorship Opportunities**

**SKN Foundation is offering sponsorship opportunities to support "Advancing South Asian Cardiovascular Health," an international South Asian cardiovascular health conference to be held in person and virtually on September 16-17, 2022 from 8AM-5PM at Hyatt Regency in New Brunswick, New Jersey.**

This conference has been planned by SKN, in collaboration with Eastern Virginia Medical School and with our educational partners, Saint Peter's University Hospital (New Brunswick, NJ) and Rutgers Biomedical and Health Sciences. The conference will feature world-renowned experts, and provide a platform to researchers, providers, patients, caretakers and community stakeholders to share their perspectives and collaborate to improve heart health in South Asians.

### **Conference Objectives:**

1. Improve identification of risk factors, including social determinants, of CVD in SAs to create a framework for strategies for prevention, early diagnosis, and targeted treatment.
2. Exchange information from worldwide programs to understand and enhance CVD management and post-acute care in SAs.
3. Establish a list of priorities for future work on managing CVD in SAs.
